

Let's Single-Stream Recycle!

It's easy, great for the environment, saves money and benefits future generations. Go Southbury!

As part of our town's "Go Green, Go Southbury" environmental initiative, we're asking all Southbury residents to single-stream recycle — at home, at work and around town. Look for our single-stream recycling bins when you're enjoying our parks, sidewalks or eateries. Let's all pitch in for a greener Southbury.

Put them all in one bin, no sorting:

- ✓ Newspaper
- ✓ Cardboard
- ✓ Mixed Paper
- ✓ Catalogs & Junk Mail
- ✓ Glass
- ✓ Steel/Tin
- ✓ Aluminum
- ✓ Plastic

To learn more about single-stream recycling and all of our green initiatives go to the Town of Southbury's website at www.southbury-ct.org/green.
