**Subject:** Results of a Straw Poll on the Acquisition of the Edgewood Facility by the Strategic Plan Commission

SPC Members and Interested Parties,

As promised, we have conducted a straw poll of the 9 SPC members regarding the Edgewood facility acquisition by the Town of Southbury. Based on a review of the information made available to town residents by the three streaming informational meetings presented by the ad hoc committee and the information regarding the Edgewood facility on the town website, the majority of the SPC members are in favor of the acquisition.

The SPC recommends the following specific actions.

- The Board of Selectmen exercise the option for the Town of Southbury to purchase the Edgewood facility and close the purchase transaction on or before the date specified in the option.
- The Board of Finance adopt a Fiscal Year 2020-21 town budget that appropriates the necessary financial resources required to consummate the acquisition.

For information purposes, the commission is comprised of 9 members + one vacancy.

- Republicans – 3
- Democrats – 3
- Unaffiliated – 3

Let me know if you have any questions.

John
