

**AmeriCorps Survey  
Community Center  
Comprehensive Report  
Pomperaug Health District  
August 9, 2012**

Along with a team of ten AmeriCorps Volunteers the Health Pomperaug District Department of Health administered a field survey by asking community members a series of direct questions on a future Community Center in Southbury, CT. This survey was conducted midday on August 9, 2012 in Southbury with two wireless Internet iPads. The following report includes graphs, charts and tables of community center participant responses in Southbury, Connecticut.

# Demographics

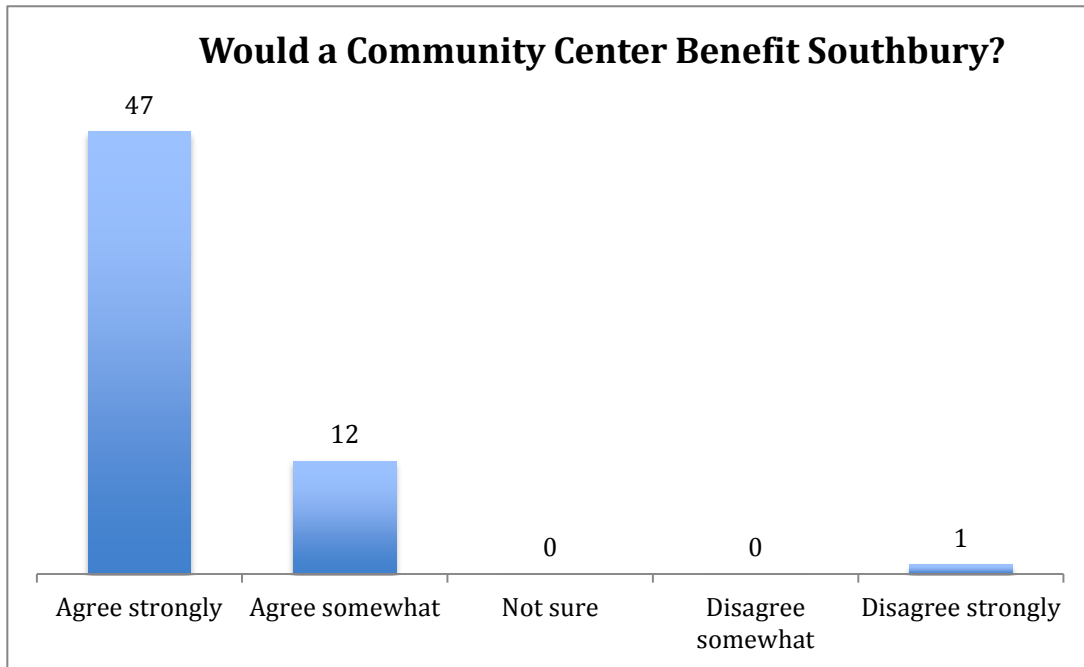

# Community Center
