

Good morning, Charter Revision Committee.

Below are the charter revision requests that I'm asking the board to consider:

Waiver of Minimum Taxes

In accordance with Section 12-144c of the Connecticut General Statutes, give the tax collector the authority to waive the remaining balance of any property tax due to the Town of Southbury less than \$5.00.

Note: The administrative cost and time expenditure of collecting such taxes, interest and fees are likely to exceed the amount due.

Refunds

In accordance with Section 12-129 of the Connecticut General Statutes, give the tax collector the authority to retain overpayments less than \$5.00.

Note: The administrative cost and time expenditure of issuing such refunds are likely to exceed the amount of the refund.

Thank you for your time and consideration. Please feel free to contact me if there are any questions.

Regards,
Azra Sholtes
