Re: RFP 2025-002: Turf Management

Three bids for turf management were received on March 3, 2025. Present at the bid opening were Road Foreman Tom Farrelly, Project Administrator Matt Tarnowski, and Office Manager Noreen Thompson. Also present was a representative from TruGreen (Glenn Lachance). Bids were solicited for as-needed application of turf management materials on town-owned properties throughout the year.

Based on the bids received, it is our recommendation that the award be made to Hometown Turf. Hometown Turf has not yet worked for the town, but reference checks were performed and the company has done work of a similar scale for other organizations. They have the equipment necessary to complete the work.

Please see the attached sheet detailing each bid received. If you have any questions please let me know.
