Re: RFP 2026-009: On-Call Bituminous Concrete Curbing

Two bids* for On-Call Bituminous Concrete Curbing were received on May 18, 2026. Present at the bid opening were First Selectman Tim O'Neil, Road Foreman Tom Farrelly, Senior Accounting Specialist Samantha Farrell, Selectmen's Office Manager Noreen Thompson, and myself. Also present was Nelson Rebo of Reliable Excavating Co., Inc.

Bids were solicited for repair and replacement of various damaged curb around town.

Based on the bids received, it is our recommendation that the award be made to Stumpers LLC (DBA Restore Utility Land Restoration). The low bid was Reliable Excavating Co., Inc. However, the town has had significant issues with Reliable on responsiveness and project completion time, so we do not recommend awarding them the bid. Stumpers has not worked for the Town of Southbury previously; however, they have experience with curbing and restoration work for other municipalities and utilities. Their bid appears reasonable and balanced.

Please see the attached sheet detailing each bid received. If you have any questions please let me know.

*Note: an additional bid was received late via email, without bid forms, to the wrong address, without unit pricing, and was not accepted.
